ENFORCEMENT CONFIDENTIAL / ATTORNEY CLIENT PRIVILEGE

Hi Mark and Rob,

Here's a draft 104e to CFAC for your comments/edits. I'll draft the one to ARCO after we're happy with this one (assuming they'll be basically the same). I know we talked about also sending a General Notice Letter, but after talking with Mark and separately with Kelcey Land, I think it might be better to only send 104e's at this time. We don't want to

scare them away from negotiations with the state and the 104e is an effective reminder that we're still involved. If either of you disagree we can add it back, just let me know.

FYI, I'm out on leave Mon and Wed next week, but working T,TH and F. Have a good weekend!
